Dear Brother Chalk,

We appreciate very much your order for thirty (30) copies of our new publication Personal Evangelism. Also your personal subscription to it.

We believe that this magazine will fill a great need of our day. Already we have received articles by leading men throughout the brotherhood in the field of personal evangelism. These brethren will be writing for the magazine regularly. We need your help in launching this new effort.

Several congregations have already decided to send this magazine into every home. We believe that this will help assure the success of it.

Thank you again and best wishes to you.

Sincerely,

Clayton Pepper

P.S. Enclosed you will find a copy of the front cover of the first issue and a list of the objectives which we intend for this publication to fulfill.
